

## Resource D

### Instructions for organising cards from Resource C

- Take time to read each card carefully before you start to organise them.
- Agree to organise the cards in to a line starting with the strongest country and ending with the weakest (take in to account any information you have found out about already such as the size of their empires etc).
- Re-organise the cards in to the two separate alliances (the Triple Entente of Great Britain, France and Russia and the Triple Alliance of Germany, Austria-Hungary and Italy). Decide which alliance appears strongest and therefore which might be more likely to win a war. (Might this depend on which countries were actually prepared to fight?)
- Be ready to share your opinions and give reasons for why your group decided what they did.
