

## Gaia 3D Virtual Trench

Gaia Technologies have created the [First World War virtual trench environment](#).

It is a platform available free of charge, to all students and teachers within the UK. It provides a rich and varied resource, taking a cross curricular perspective on the teaching and learning of the subject.

As part of the commemorations of the First World War, Gaia Technologies' vision is to capture, preserve and communicate those memories within a virtual environment that will allow students and teachers to gain an insight in to experience of life in the trenches.

The [WW1 Virtual Trench](#) aims to immerse students in a representation of 1914 France where they can join the trench warfare alongside historical heroes who made the ultimate sacrifice, including Sergeant Stubby the dog!
